

# Beautiful Receptions For Your Convenience

*A time to gather with family and friends*

*A reception is a beautiful way to remember your loved one before or after a cremation or funeral service.*

*For your convenience we have relationships with some of Columbus' most popular meeting places and caterers.*

Our staff will be pleased to help you select the local providers that best meet your needs.

  
**Newcomer**  
*Cremations • Funerals • Receptions*
